

## P & P LEINSTER TESTIMONIAL

Dear Lara

Peter and I have been very impressed with the service we have received from the Homefab team.

The product has exceeded our expectations. We chose steel for our new home because of the prevalence of white ants in our area; steel construction was the only choice we felt we could make.

One aspect that amazed us, was that from our plan, Homefab created a frame that fitted together easily and precisely – we could not have asked for anything better.

We received excellent service and advice followed by personal service from Selmun.

We have already recommended your product to others and would do so again.

Many thanks for a wonderful product,

Kind regards,  
Pauline and Peter Leinster
